

# Amazing Grace

F (E) F/A (B) Bb (A) F (E)

Amazing grace, how sweet the sound

Dm (C#m) G (B) Gm7 C7 (A)

That saved a wretch like me

F (E) F/A (B) Bb (A) F (E)

I once was lost, but now am found

Dm (C#m) F/C C7 F (A)

Was blind, but now I see

Tw'as grace that taught my heart to fear

And grace my fears relieved

How precious did that grace appear

The hour I first believed

When we've been there ten thousand years

Bright shining as the sun

We've no less days to sing God's praise

Than when we'd first begun
