

==) Better Than Life (==--

Walter Crane © 2008

^G ^D
Nowhere can I run to
^C ^G ^{D C}
Nowhere can I hide from Your love
^G
As East is from the West
^D ^C ^G ^{D C}
So much higher than the heavens above
^G
The length is everlasting
^D ^C ^G ^{D C}
The depths are that which can't be guessed
^G ^D
You have shown that You are good
^C ^G ^{D C}
No one compares, Your Name be blessed

^F ^C ^G
Your love is better, Your love is better than life
^F ^C ^G
Your love is better, Your love is better than life

^G ^D
No one can compare to you
^C ^G ^{D C}
I rest in Your unfailing love
^G ^D
Help me know the love of Christ
^C ^G ^{D C}
Fill me with Your fullness above
^G
Your strength is everlasting
^D ^C ^G ^{D C}
Greater than anything I ask
^G ^D
I taste and see that You are good
^C ^G ^{D C}
I'm hungry for the love that last

^{Em} ^C
If I don't have love, love You gave to me
^{Em} ^C
If I don't have love, no way will I see
^{Em} ^C
If I don't have love, then noise is what I'll be
^{Em} ^D
If I don't have love, how can I walk free?
