Lord let Your glory fall, …As on that ancient day

Am C/E F Dm F C
Songs of enduring love, …And then Your glory came

C C/E F C/E F
And as a sign to You, …That we would love the same

Am C/E F Dm F C
Our hearts will sing that song, …God let Your glory come

C/E F
You are good, You are good, and Your love endures

C/E F
You are good, You are good, and Your love endures

Am C/E F C F C F
You are good, You are good, and Your love endures today

C C/E F C/E F
Voices in unison, …Giving You thanks and praise

Am C/E F Dm F C
Joined by the instruments, …And then Your glory came

C C/E F C/E F
Your presence like a cloud, …Upon that ancient day

Am C/E F Dm F C
The priests were overwhelmed, …Because Your glory came

C C/E F C/E F
A sacrifice was made, …And then Your fire came

Am C/E F Dm F C
They knelt upon the ground, …And with one voice they praised
