All I have, ...All I've done
I give it up, ...I lay it down
'Cause all I want, ...is passion for
The knowledge of, ...the Savior's love

Nothing else matters
Nothing else matters but You
Jesus, but You

Your life for mine, ...it's really true
All I have, ...it comes from You
But all I want, ...is passion for
The knowledge of, ...Your precious love

Awesome, lovely Jesus. Beautiful, holy Jesus. (x3)
